|                                      |   |
|--------------------------------------|---|
| <b>Job title</b>                     | Assistant Crane Operator  |
| <b>Training &amp; Qualifications</b> | <p>Current and valid training required:</p> <ul style="list-style-type: none"> <li>• Banksman &amp; Slinger certification (OPITO)</li> <li>• Crane Operator – Stages 1, 2, 3 / 4</li> <li>• Offshore Emergency Response Team Member (OPITO OERTM)</li> <li>• Helideck Emergency Response Team Member (OPITO HERTM)</li> <li>• Mandatory training for travel offshore, including: <ul style="list-style-type: none"> <li>○ OEUK Medical</li> <li>○ Emergency Response Team Medical</li> <li>○ Offshore Survival (HUET EBS CAEBS)</li> </ul> </li> </ul>  |
| <b>Experience</b>                    | <p>A minimum of 2 years' experience as an Assistant Crane Operator or equivalent role on an operational semi-submersible or drilling vessel is required. Helideck operations and emergency response experience is essential.</p> <p>Lattice boom crane experience preferred.</p>  |
| <b>Job Summary</b>                   | <p>An Assistant Crane Operator supports the safe and efficient operation of cranes on a drilling vessel or semi-submersible unit, working under the direction of the Crane Operator.</p> <p>The role involves assisting with lifting operations, carrying out routine and preventative maintenance on crane equipment, and ensuring compliance with company procedures and safety standards.</p> <p>They also contribute to maintaining a safe working environment by participating in risk assessments, safety meetings, and emergency drills, while following training requirements and operational guidance.</p> <p>A key responsibility is understanding job tasks, associated hazards, and the necessary control measures to ensure all lifting activities are conducted safely.</p> |

|                     |   |
|---------------------|---|
| <b>Role Details</b> | <p>This position is based on one of our semi-submersible drilling rigs, the Borgland Dolphin.</p> <p>The contract in Spain is for 7 firm wells with an option to extend by a further 3 wells. This is followed by a direct continuation of work in the UK (currently under a Letter of Intent) that would see the Borgland Dolphin contracted through to October 2031.</p> <p>The offshore rotations for the Borgland Dolphin will be 28 day on/28 day off rotation, whilst in Spain and 21 day on/21 day off rotation in the UK.</p> |
| <b>How to Apply</b> | <p>If you have the required experience, training, and qualifications and are interested in this opportunity working both in Spain and UK waters, please submit your up-to-date CV and relevant certification to <b><a href="mailto:recruitment.marine@dolphindrilling.com">recruitment.marine@dolphindrilling.com</a></b> clearly referencing the position applied for in the subject line of your email.</p> <p>The closing date for applications is <b>5th June 2026</b>.</p>   |
