

ASSISTANT MECHANIC ONBOARD THE BORGLAND DOLPHIN

Job title	Assistant Mechanic
Training & Qualifications	<p>Current and valid training required:</p> <ul style="list-style-type: none"> • Mechanical/Hydraulic Engineering Qualification. • Mandatory training for travel offshore, including: <ul style="list-style-type: none"> ◦ OEUK Medical <p>Offshore Survival (HUET EBS CAEBS)</p>
Experience	Minimum of 1 year experience as Assistant Mechanic on an operational semi-submersible or drilling vessel.
Job Summary	<p>The Assistant Mechanic supports the maintenance and repair of mechanical, pneumatic, and hydraulic equipment, reporting to the Chief Engineer.</p> <p>The role involves carrying out assigned maintenance tasks, performing regular inspections, assisting in repairs to minimise equipment downtime, and promptly reporting or addressing faults.</p> <p>Key duties include maintaining logs, ordering spare parts and materials and participating in emergency response and drills.</p>
Role Details	<p>This position is based on one of our semi-submersible drilling rigs, the Borgland Dolphin.</p> <p>The contract in Spain is for 7 firm wells with an option to extend by a further 3 wells. This is followed by a direct continuation of work in the UK (currently under a Letter of Intent) that would see the Borgland Dolphin contracted through to October 2031.</p> <p>The offshore rotations for the Borgland Dolphin will be 28 day on/28 day off rotation, whilst in Spain and 21 day on/21 day off rotation in the UK.</p>
How to Apply	<p>If you have the required experience, training, and qualifications and are interested in this opportunity working both in Spain and UK waters, please submit your up-to-date CV and relevant certification to recruitment.technical@dolphindrilling.com clearly referencing the position applied for in the subject line of your email.</p>

	The closing date for applications is 5th June 2026.
