

## ELECTRICIAN ONBOARD THE BORGLAND DOLPHIN

<b>Job title</b>	Electrician
<b>Training &amp; Qualifications</b>	<p>Current and valid training required:</p> <ul style="list-style-type: none"> <li>• Electrical qualification</li> <li>• Hazardous Areas - CompEx</li> <li>• Mandatory training for travel offshore, including: <ul style="list-style-type: none"> <li>○ OEUK Medical</li> <li>○ Offshore Survival (HUET EBS CAEBS)</li> </ul> </li> </ul>
<b>Experience</b>	Minimum of 2 years' experience as an Electrician on an operational semi-submersible or drilling vessel is preferred.
<b>Job Summary</b>	<p>The Electrician is responsible for the safe installation, inspection, maintenance, and repair of all electrical equipment onboard, working closely with the Senior Electrician.</p> <p>The role ensures electrical systems operate efficiently and in compliance with regulations, standards, and company procedures through regular inspections, planned maintenance, electrical isolations, and accurate record keeping.</p> <p>Duties include monitoring equipment status, supporting maintenance planning to minimise downtime, managing spares and tools and checking third-party equipment.</p> <p>The position also requires strong adherence to health, safety, and environmental policies, participation in emergency drills and safety initiatives, and prompt reporting of hazards, defects, and incidents.</p>
<b>Role Details</b>	<p>This position is based on one of our semi-submersible drilling rigs, the Borgland Dolphin.</p> <p>The contract in Spain is for 7 firm wells with an option to extend by a further 3 wells. This is followed by a direct continuation of work in the UK (currently under a Letter of Intent) that would see the Borgland Dolphin contracted through to October 2031.</p> <p>The offshore rotations for the Borgland Dolphin will be 28 day on/28 day off rotation, whilst in Spain and 21 day on/21 day off rotation in the UK.</p>

<b>How to Apply</b>	<p>If you have the required experience, training, and qualifications and are interested in this opportunity working both in Spain and UK waters, please submit your up-to-date CV and relevant certification to <a href="mailto:recruitment.technical@dolphindrilling.com">recruitment.technical@dolphindrilling.com</a> clearly referencing the position applied for in the subject line of your email.</p> <p>The closing date for applications is <b>5th June 2026</b>.</p>
