ROUSTABOUT

ROLE DETAILS

Rig

PBLJ or Borgland Dolphin

Location

Spain & UK

Rotation (Spain)

28 days on /
28 days off

Rotation (UK)

21 days on /
21 days off

Contract

Permanent

TRAINING

Current and valid training required:

- Banksman & Slinger certification (OPITO)
- Offshore Emergency Response Team Member (OPITO OERTM)
- Helideck Emergency Response Team Member (OPITO HERTM)
- Mandatory training for travel offshore, including:
 - » OEUK Medical
 - » Emergency Response Team Medical
 - » Offshore Survival (HUET EBS CAEBS)

EXPERIENCE

A minimum of 1 year's experience as a Roustabout on an operational semi-submersible or drilling vessel is preferred.

Helideck operations and emergency response experience is essential.

JOB SUMMARY

A Roustabout is responsible for carrying out general deck duties on an offshore unit, working safely and efficiently under the direction of the Crane Operator.

The role includes maintaining high standards of housekeeping, supporting deck operations such as slinging and signalling crane loads, and assisting the drill crew with drilling-related activities when required.

A Roustabout is also expected to participate in helideck operations, emergency response teams, fire and safety duties, and regular drills, while reporting hazards, defects, and incidents.

Throughout all tasks, the role places strong emphasis on safety, clear communication with supervisors, and adherence to company procedures and permit-to-work systems.

RIG DETAILS

The Borgland Dolphin is currently operating in Spain and is expected to return to the UK next year. The Paul B. Loyd Jr. is currently operating within the UK Continental Shelf (UKCS).

If you have the required experience, training, and qualifications and are interested in this opportunity working both in Spain and UK waters, please submit your up-to-date CV and relevant certification to:

generalenquiries@dolphindrilling.com

Clearly reference the position applied for in the subject line of your email.
